Coming Alive

Written by: Ben Smith, Pat Barrett

Key of D // Tempo: 148

Intro/Turnaround: 1, 4, 6, 4

Verse: 1, 4, 6, 4

I feel your wind upon my face, your heart your sweet embrace
Such peace I could never fake, when I'm with you

I feel the scales falling off my eyes, my heart's veil ripped open wide
Like I'm born for a second time, when I'm near you

I hear your voice through an open door, I see the saints who have gone before
Cheering me to my great reward, to be with you (oh to be with you)

Chorus: 6, 1, 6, 4

Oh, I'm coming alive in your presence
Oh, I'm coming alive in your presence

Bridge: 1, 4, 1, 4, 6, 4, 6, 4

(last time: 6, 4, 6, 4)

We join in with the angels
We join in with all the saints
We join in with creation
Worthy is the Lamb, worthy is the Lamb

Outro: 1, 4, 6, 4

Worthy is the Lamb, worthy is the Lamb
Worthy is the Lamb, worthy is the Lamb
