

BREAD & WINE

Coming Alive

Written by: Ben Smith, Pat Barrett

Key of D // Tempo: 148

Intro/Turnaround: D, G, Bm, G

Verse: D, G, Bm, G

I feel your wind upon my face, your heart your sweet embrace
Such peace I could never fake, when I'm with you

I feel the scales falling off my eyes, my heart's veil ripped open wide
Like I'm born for a second time, when I'm near you

I hear your voice through an open door, I see the saints who have gone before
Cheering me to my great reward, to be with you (oh to be with you)

Chorus: Bm, D, Bm, G

Oh, I'm coming alive in your presence
Oh, I'm coming alive in your presence

Bridge: D, G, D, G, Bm, G, Bm, G
(last time: Bm, G, Bm, G)

We join in with the angels
We join in with all the saints
We join in with creation
Worthy is the Lamb, worthy is the Lamb

Outro: D, G, Bm, G

Worthy is the Lamb, worthy is the Lamb
Worthy is the Lamb, worthy is the Lamb
