Never Met A Father

Written by: Ben Smith

Key of C // Tempo: 138

Verse A: 4, 5

When my heart said run, your voice said come
Your mercy captured me
When my mind said go, your Spirit spoke
Such a holy mystery

Pre-Chorus: 4, 5

You said come home
You said come home

Chorus: 4, 1, 5, 6

(last line: 4, 1, 5)

I've never met a Father, who loves quite like you
I've never met a Father, with such grace and truth
I've never met a Father, who will walk with me through
Any storm of this life, and whisper I love you

Verse B: 4, 5

All the fear and lies, I was blinded by
From a voice that is not yours
But your grace came in, like a rushing wind
And I've never been the same

Bridge: 2, 3, 4, 5

I was born to love you
I was born to know you
I was born to trust you
And walk in your ways
Day after day

Outro: 4, 5

You said come home
You said come home
