Never Met A Father

Written by: Ben Smith

Key of C // Tempo: 138

Verse 1: F, G

When my heart said run, your voice said come
Your mercy captured me
When my mind said go, your Spirit spoke
Such a holy mystery

Pre-Chorus: F, G

You said come home
You said come home

Chorus: F, C, G, A

(last line: F, C, G)

I've never met a Father, who loves quite like you
I've never met a Father, with such grace and truth
I've never met a Father, who will walk with me through
Any storm of this life, and whisper I love you

Verse 2: F, G

All the fear and lies, I was blinded by
From a voice that is not yours
But your grace came in, like a rushing wind
And I've never been the same

Bridge: Dm, C/E, F, G

I was born to love you
I was born to know you
I was born to trust you
And walk in your ways
Day after day

Outro: F, G

You said come home
You said come home
