When You Are Here

Written by: Ben Smith & Pat Barrett

Key of B // Tempo: 117

Verse: 1, 2, 6, 4

Father, Son, Spirit come in power
Send your fire, consume us with your love
Our eyes are fixed upon your face, our hearts cry out
Come and have your way, come and have your way

Young and old, rich and poor are coming
To taste and see, the wonder of your grace
Our eyes are fixed upon your face, our hearts cry out
Come and have your way, come and have your way

Chorus: 1, 2, 6, 4

When you are here, miracles are possible
When you are here, freedom reigns and healing comes
When you are here, guilt and shame are washed away
In the presence of your love, in the presence of your love
When you are here

Turnaround: 1, 2, 6, 4

Bridge: 2, 6, 5

When heaven touches earth
Your kingdom come, your will be done
When heaven touches earth
We stand amazed, we shout your praise

Outro: 1, 2, 6, 4

You made my heart your home, forever
You made my heart your home, forever
You made my heart your home, forever
Come and have your way, come and have your way
