## When You Are Here

Written by: Ben Smith & Pat Barrett

Key of B // Tempo: 117

### Verse: 1, 2, 6, 4

Father, Son, Spirit come in power  
Send your fire, consume us with your love  
Our eyes are fixed upon your face, our hearts cry out  
Come and have your way, come and have your way

Young and old, rich and poor are coming  
To taste and see, the wonder of your grace  
Our eyes are fixed upon your face, our hearts cry out  
Come and have your way, come and have your way

### Chorus: 1, 2, 6, 4

When you are here, miracles are possible  
When you are here, freedom reigns and healing comes  
When you are here, guilt and shame are washed away  
In the presence of your love, in the presence of your love  
When you are here

### Turnaround: 1, 2, 6, 4

### Bridge: 2, 6, 5

When heaven touches earth  
Your kingdom come, your will be done  
When heaven touches earth  
We stand amazed, we shout your praise

### Outro: 1, 2, 6, 4

You made my heart your home, forever  
You made my heart your home, forever  
You made my heart your home, forever  
Come and have your way, come and have your way
