## Whisper

Written by: Ben Smith, Jason Upton

Key of G // Tempo: 136

### Verse: Em, C, G

Jesus when you speak to me, I hope I'm listening to you  
Let this heart of mine receive, what is full of grace and truth

There's so much more to what we see, sometimes I'm scared to take it in  
Is that you right in front of me, are you the stranger or the friend?

### Chorus: Em, C, G

Whisper, whisper, whisper in my ear  
Tell me words I thought I'd never hear  
Show me, show me, show me what you see  
Illuminate what's right in front of me

### Turnaround: Em, C, G

### Bridge 1: D, C, G, C, G, D

What you whisper in my ear, let it find room in my heart  
Like a garden let your words begin to grow  
When my faith is prone to fear, remind me of your love  
Remind me that you'll never let me go

### Bridge 2: Em, C, G, D

#### (4th time: Em, C, G)

I will not forget  
I will not forget  
All you've done  
For me
