## Oh Good God

Written by: Kelly Smith & Laura Stern  
Key of E // Tempo: 136

Intro: C#m, E

Verse: C#m, E, C#m, E, C#m, A, B

In a way I want to blame You for what's been done  
Though I know Your heart is grieving just as much  
In my pain I've poured my heart out  
Every day my spirit cries out  
Reaching for Your strength to get me through

Chorus: C#m, A, C#m, A, F#m, C#m, A, F#m, B

Oh, good God, I know you won't forsake me  
Tears stream down as I pray for you to fill me  
Only you can turn this darkness into light  
Only you can bring justice and new life

Verse: C#m, E, C#m, E, C#m, A, B

I've been searching for some peace here in this storm  
Cause I've never felt a pain like this before  
So I'll cling onto Your promise  
And know Your joy is upon it  
There's no way You'll leave me all alone

Bridge: A, C#m, E, B

You bring life  
You bring life  
You bring life to me
