God Is Love

Written by: Kelly Smith
Key of B

Verse: B/D#, E, B/D#, E

G#m, F#, E, C#m, B/D#, E

Our grid is just an image of ourselves
We're looking into a dimension, and we are overwhelmed
We cannot conceive the gravity of all your love
And all you've done, but I'm hanging on to something

We're blinded by our failures, faults, and fears
We pull arrows from our hearts as courage starts to reappear
Living isn't living if a life is lived in chains
So let them break, I know I'm hanging onto something

Chorus: B, E, G#m, F#, E, C#m, G#m, F#, E, C#m

G#m, F#, E, G#m, F#, E, G#m, F#, E

God is Love, God is Light
And I don't understand it all but I believe that I just might
Know who I am when I'm in your presence
When I'm in your presence
When I'm in your presence, I know who I am

Bridge: F#, G#m, E, B/D#

Looking in the mirror now
Starting to see clearly now
Looking in the mirror now
Am I everything I wanna be
