Forgiveness

Written by: Ben Smith & Jason Upton
Key of A

Intro/Turnaround: 1, 5/7, 6, 5, 4

Verse: 1, 5/7, 6, 5, 4

Grieving is a part of the journey, saying goodbye to who I thought I was
Life is a mystery, full of twists and turns
One little lesson that I've learned

We're all a part of a family, this family is growing again
We will fall and break and bruise, get back up with open wounds
And we will choose to trust again

If faith can move the mountains, how much faith will it take to
Let go of this pain we're in, reach out to the world again
And keep holding on to you

Chorus: 1, 5, 6, 4, 1/3, 5, 6, 4

Forgiveness, is our healing medicine
Forgiveness, when we just can't forget
Sharper than any sword, stronger than any war
Oh, it's not easy, but I know it's a gift from you

Bridge A: 2, 5, 6, 4, 2, 5, 6, 4, 5

You never said it would be easy
You know what it's like to lose
By the power of forgiveness
You're making all things new
You're making all things new

Bridge B: 1, 5, 6, 4

Father, forgive them
For they know not what they do
They know not what they do
