

BREAD & WINE

Breathe

Written by: Kelly Smith
Key of E

Verse: 1, 4, 1, 6, 4, 5, 6, 4, 1, 6, 4, 1

I will meet you under water
In the fire, in the storm
You will never have to wonder
It is you, I'm fighting for

I will meet you in the desert
As the weeds tumble around
You can trust me, oh believer
I will be, your solid ground

In the waiting, in the wanting
In the secret storms you face
Hear me whisper, hear me calling
Confident, I'll make a way

Chorus: 4, 5, 6

Breathe, breathe
Let me love flood your heart
Breathe, breathe
Letting go is the hardest part
Breathe, breathe
Fall in my loving arms
Breathe, breathe
Breathe

Bridge: 4, 5, 1/3m, 4, 4, 5, 6

Take me in, to your heart again
Let me break these walls you've built
Just let go, lay down all you've known
Find your home in me
